

2020 PARTNERSHIP PROPOSAL

Indiana State F.O.P.

Thank you for your continued interest in supporting the 18,000 athletes of Special Olympics Indiana, by supporting the efforts of the law enforcement officers throughout the state who are dedicated to these athletes through the Law Enforcement Torch Run program! We so appreciate the support of the Indiana State Fraternal Order of Police through the years and hope that we can work together in a special way this year to ensure that as many officers as possible can be part of all of our highlighted events! Please find a proposal for your support below, in the form of \$2,500 this year, and what that donation would include throughout this year. The Indiana State LETR Leadership Team appreciates your consideration of support.
