

Hello,

In these trying times we must carry on and pass the flame of hope. From county to county, great men and women in uniform, like you, continue to protect us during this time of uncertainty. One thing that is for certain, is that your bravery, courage, and honor passes hope to all of us each and every day.

In the darkest time, we each have a flame of hope burning inside of us. As a Guardian of the Flame, we ask you to join us in sharing the light to our Special Olympics Indiana community. To join in, we are asking that your agency:

Fundraise

- Commit to sponsoring or fundraising a minimum of one of three levels
 - Agency Levels
 - Gold - \$1000
 - Silver - \$500
 - Bronze - \$250
- Help to raise awareness for the online, live event taking place on June 12th

Send Your Video of Hope

- Submit a 5-minute video of an officer running and passing on the "torch"
 - Introduce yourself and your agency at the beginning of the video
 - Record the video horizontally
 - Utilize a flashlight as your torch
 - Invite a coworker, family member, or friend to record your video
 - Include a positive message for Special Olympics Indiana athletes at the end of your run
 - Following your positive message, pass the "torch" off to the side and out of the frame

Videos will be compiled to create an online event for our athletes and supporters on June 12th to inspire hope and bring the joy of Special Olympics Indiana to them! To carry the flame of hope during this time, please contact me dsmith@soindiana.org at 317-328-2003.

Best,
Danielle

Danielle Smith
