

Our Mission

The Indiana F.O.P. Foundation, Inc. was formed in 2003 to further the Fraternal Order of Police charitable endeavors. We currently support the Critical Incident/Memorial team

which responds on all critical incidents and line of duty deaths in the state.

The Team assists the affected departments and families in

organizing the final honors for their fallen heroes, as well as rendering

critical stress incident management. The Team annually facilitates the state memorial service which renders honors to all officers who were lost protecting their communities.

The Foundation is actively involved in supporting the youth of our state through sports and academic scholarships that are given out annually, as well as working with communities to further education on various programs on the grass root community level.

Grassroots Involvements

The Foundation is committed to connecting with members and communities

statewide to increase awareness. We are currently in the infant stages of a competitive grant program to assist with increased awareness of domestic violence and abuse issues, as well as looking for unique ways to increase the interaction of the law enforcement community and public.

We operate solely on donations and are a 501(c)3 non-profit organization. All donations made are tax deductible.

Investing in Our Youth

The Foundation annually awards 50 scholarships to children of members

who are seeking further education after they graduate from high school. Ten are awarded to applicants from each of the five districts of the state. The Foundation also awards scholarships to surviving children of officers killed in the line of duty and is hoping to add additional scholarships to be awarded to surviving spouses.

In order for us to be able to expand the scholarship program we need to secure funding to cover the increase costs and that is where you come in to play. We are actively seeking individuals and groups to donate to cover the expenses of expanding our programs. Contributions can be made to the general fund or to specific programs. Currently our budget is covered almost entirely by the Indiana Fraternal Order of Police but we are actively working to increase our donations to make us less reliant on them and more of an independent asset.
