Dear prospective member,

A new state law goes into effect on **Jan. 1, 2008**, that will impact all Indiana law enforcement officers and their collective bargaining rights. As the largest law enforcement collective bargaining organization in the state, the Indiana F.O.P. Labor Council Inc. was designed with one purpose: to effectively represent the interests of Indiana law enforcement officers like you.

As public service professionals who put themselves in harm's way, officers like you deserve nothing less than a dedicated, knowledgeable advocate who knows the law enforcement profession and the legal issues surrounding it. The Indiana F.O.P. Labor Council is that advocate.

Police officers throughout the state want to play an active role in their futures. Become part of this important movement. Join the Indiana F.O.P. Labor Council Inc. today.

Sincerely,

The Executive Board and Field Representatives
Indiana F.O.P. Labor Council Inc.

MEMBER BENEFITS

The benefit of having a knowledgeable advocate who can offer legal counsel and expert negotiating skills far outweighs the membership costs. **Monthly dues are just one-half of a first-class officer's hourly wage.** The Indiana F.O.P. Labor Council Inc. maintains this affordable, high-value offering by focusing on services that directly benefit members, such as:

- **Representation**
- **Negotiation**
- **Research**
- **Legal services**
- **Contract administration**
- **Arbitration**

Dear Fellow Law Enforcement Officers,

As president of the largest organization representing police officers in the state of Indiana, I am proud to endorse and actively support the Indiana F.O.P. Labor Council Inc.

The Labor Council provides the best law enforcement collective bargaining services in Indiana. Our team of distinguished field representatives has extensive experience in labor negotiations and will provide your organization with the best representation available — regardless of size.

Fraternally,

Timothy Downs
President,
Indiana Fraternal Order of Police
Executive Director,
